The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 26 April 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ ensure, at all times, that at least one person on the premises has an appropriate first aid qualification	17/05/2023
■ ensure the written statement of procedures includes the action to be followed to safeguard children and is in line with the local safeguarding partnership procedures	17/05/2023
■ inform Ofsted of any change in the information held by us, such as the registered company address immediately	17/05/2023
■ ensure a record is maintained to show the days on which, and hours during which, the child has attended the relevant premises.	17/05/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.
