

Complaint about childcare provision

Ref: 110019/5444855

Date: 31 May 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 March 2023 and 18 May 2023, we received concerns that the provider was not meeting some of these requirements.

On 31 May 2023, we carried out an unannounced regulatory visit. We found that the provider had not identified some weaknesses in staff practice but had taken action to put this right. The provider has improved induction procedures so that staff fully understand their roles and responsibilities.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
