

Compliance action taken for childcare provision

Ref: EY494143/5406072

Date: 23 May 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 March 2023, the provider notified us of a safeguarding issue. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event. We visited the provider on 22 May 2023 and found they were not meeting requirements. We have issued them with a Notice to Improve. This is a legal notice that requires the provider to take action within the timescales set out.

Action needed by 31 May 2023:

implement appropriate and consistent behaviour management strategies to contribute to a positive learning environment.

On 1 June 2023, we received an action response letter. We found that the Notice to Improve had been met appropriately. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
