

## **Compliance action taken for childcare provision**

Ref: EY491797/5454729

Date: 5 June 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 31 May 2023, the provider notified us of a significant incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant event.

On 2 June 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has completed an internal investigation into the incident. Going forward they have updated the handover of food procedures and the risk assessment to include guidance outside the routine mealtimes. In addition, they have revisited agency staff induction procedures and training to ensure that all staff understand their role and have completed allergen awareness food safety and mealtime training. Additional measures are also in place to monitor staff's practice to ensure that they adhere to the procedures outside of mealtimes. All staff have refreshed their knowledge of the settings food safety and mealtime policies and have completed bespoke online food safety training.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
