

## **Compliance action taken for childcare provision**

Ref: 2564137/5444635

Date: 7 June 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 May 2023 the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 5 June 2023 we carried out a regulatory telephone call and reviewed details of their internal investigation. We found the provider was not meeting one of the requirements and had taken action to put this right.

All managers and staff in the setting and throughout the company, have received refresher training around their role and responsibility to robustly implement the procedures for ensuring the safety, supervision and accountability of children when transporting children to and from school. The provider has also introduced additional arrangements regarding the importance of head counts before and after transporting children on the nursery's bus, to ensure all children are always accounted for and within sight and or hearing.

We are satisfied with the action taken by the provider and no further action was required by Ofsted on this matter. The provider will be able to give parents information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
