

## **Compliance action taken for childcare provision**

Ref: EY417741/5441475

Date: 12 June 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 May 2023, we received concerns that the provider was not meeting some of these requirements.

On 08 June 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 22 June 2023:

- ensure that you understand the local safeguarding partners' procedures to follow, in the event of an allegation being made against an adult working with children
- develop knowledge of the responsibilities under the Safeguarding Vulnerable Groups Act 2006, specifically when to make a referral to the Disclosure and Barring Service.

We will monitor the provider's response to ensure the actions are successfully completed.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
