

## **Compliance action taken for childcare provision**

Ref: EY332752/5438726

Date: 22 May 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 May 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. This is a notice that requires the provider to take the actions below within the timescales set out.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 09 June 2023:

- implement effective supervisions of staff that identify and monitor weaknesses in practice, so that relevant support and coaching can be swiftly provided
- implement a consistent approach to ensure staff model warm, positive interactions and manage children's behaviour appropriately

On 09 June 2023, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of implementing effective supervisions and how to positively interact with children. They now fully understand their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
