

## **Compliance action taken for childcare provision**

Ref: EY450428/5431954

Date: 18 May 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 May 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted. Actions needed by 26 May 2023:

ensure all staff understand their safeguarding policy and procedures and that all staff have up to date knowledge of safeguarding issues.

ensure all staff receive appropriate induction training to help them understand their roles and responsibilities.

We will monitor the provider's response to ensure the actions are successfully completed.

On the 14 June 2023, we found that the provider responded to the action's set.

We found that the provider had improved their knowledge and understanding of child protection procedures and reviewed induction training and now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
