

## **Compliance action taken for childcare provision**

Ref: EY457836/5429027

Date: 16 June 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 April 2023, the provider notified us of a significant injury to a child. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. On 28 April 2023, we also received concerns that the provider was not meeting requirements, in relation to the same matter.

On 16 June 2023, we carried out an unannounced regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. We found that the provider had taken necessary steps to identify and manage risks. This includes, ensuring staff have been retrained in risk assessment procedures. The provider has also ensured that equipment and resources are compliant with the requirements of health and safety legislation including, government safety guidance.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
