

Compliance action taken for childcare provision

Ref: 509572/5441167

Date: 19 June 2023

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 May 2023, the provider notified Ofsted of a significant incident. On 22 May 2023, we made a telephone call to the provider and found that they were not meeting some of these requirements.

We issued a Notice to improve. This notice requires the provider to take the action below within the timescale set out. The provider was able to explain how they suitably addressed this action. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 5 June 2023

ensure that staff know how to respond and take appropriate action in an emergency to promote children's health and well-being.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
