

Complaint about childcare provision

Ref: 510087/5455252

Date: 21 June 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 30 May 2023, we received concerns that this provider was not meeting some of these requirements.

On 15 June 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. However, had made changes to the risk assessment and smoking policy at the setting. We are satisfied with the action taken by the provider. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
