The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 8 June 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ ensure that any person who lives or works on the premises where childcare is provided (including on a voluntary basis) is suitable to work with children, which must include obtaining an enhanced Disclosure and Barring Service check	22/06/2023
■ ensure that at least one person who is caring for children has an appropriate first aid qualification	22/06/2023
■ obtain insurance in respect of liability which may be incurred for death, injury, public liability, damage or other loss	22/06/2023
■ keep and maintain for two years a record of the name, home address and telephone number of every person living or working on the premises on which childcare is provided (or the part of the premises where the childcare is held, in	22/06/2023

case of premises such as community/leisure centres, where only parts of the childcare are used for childcare).	
■ ensure all staff understand safeguarding policies and procedures, particularly regarding what to do if there is an allegation about a member of staff	22/06/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.

If you have any questions please contact us on 0300 123 1231 quoting the reference number at the top of this letter.

Yours sincerely
