

Compliance action taken for childcare provision

Ref: EY247912/5476052

Date: 5 July 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On the 27 June 2023, the provider notified us of a safeguarding incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 4 July 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider reviewed and updated the risk assessments to ensure the safety and well-being of the children.

In addition we found that the provider was not meeting some of these requirements. We issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 7 July 2023:

- ensure safeguarding procedures and policy are swiftly followed, with particular regard to liaison with safeguarding agencies.

We will monitor the provider's response to ensure the action is successfully completed.

On 5 July 2023 the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
