

Compliance action taken for childcare provision

Ref: 2496395/5482069

Date: 10 July 2023

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 5 July 2023, the provider notified us of an incident where a child had been left in the outdoor area for a short period of time. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 10 July 2023, we carried out a regulatory telephone call. We found the provider had taken prompt and effective action to avoid a re-occurrence and put matters right. This is because they have completed re-training with staff and implemented new systems for managing transitions between the indoor and outdoor areas. Additionally, they carried out enquiries into what led to the event and are monitoring the work of staff.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
