

Compliance action taken for childcare provision

Ref: 119246/5468511

Date: 27 June 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 June 2023, we received information that the provider was not meeting some of these requirements.

On 22 June 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Action needed by 7 July 2023:

- ensure Ofsted has the required information on all committee members, including changes to the nominated individual, in order to assess suitability.

On 6 July 2023, the provider responded to the action set. We found that the provider has now provided the required information to Ofsted in relation to assessing their own suitability as well as the information to assess the suitability of committee members.

We are satisfied the provider has met the action. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
