

Compliance action taken for childcare provision

Ref: 2720287/5460179

Date: 14 July 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 June 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage which requires them to notify Ofsted of a significant event.

On 28 June 2023 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 14 July 2023:

ensure staff are deployed effectively to supervise children and meet their individual needs at all times, making sure that children are always within sight and/ or hearing of staff.

On 13 July 2023, the provider responded to the action set. We found that the provider had reviewed their risk assessment to ensure staff are effectively deployed so that all children are always within sight and/or hearing of staff members. Also, the provider has given the manager, leaders and staff training on the revised risk assessment to ensure that they are all aware of these procedures. We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
