

## **Complaint about childcare provision**

Ref: EY539174/5469278

Date: 14 July 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 June 2023, we received concerns that the provider was not meeting some of these requirements.

On 7 July 2023 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken immediate action to put this right. Having reviewed the procedures for mealtimes the provider introduced an additional layer of monitoring to check the food received by suppliers before it is offered to children. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
