The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 27 June 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ ensure there is a suitable manager to take charge to work with the children	11/07/2023
■ ensure there is a robust and accurate written statement of the procedures to be followed to safeguard children and staff implement this effectively.	11/07/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.
