

## **Compliance action taken for childcare provision**

Ref: EY471894/5484218

Date: 20 July 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 July 2023, the provider notified us of an administration of medication error that had occurred. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events related to child illness.

On 18 July 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has reviewed and improved their arrangements for managing children's health conditions and the administration of medication. They have conducted research and provided staff with additional information and training related to long-term health needs and how they should be managed.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
