

## **Compliance action taken for childcare provision**

Ref: 112397/5447205

Date: 25 July 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 May 2023, we received concerns that the provider was not meeting some of these requirements. The provider also notified Ofsted of a significant event. On 27 June 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 6 July 2023:

- improve knowledge of how to identify signs of possible abuse and neglect at the earliest opportunity and respond in a timely and appropriate way.

On 25 July 2023, Ofsted completed a regulatory visit to monitor the welfare requirements notice. We found that the provider had improved their knowledge and understanding of child procedures and now fully understands their responsibilities. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
