

Complaint about childcare provision

Ref: EY548769/5463060

Date: 12 July 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 July 2023, we received concerns that the provider was not meeting some of these requirements.

On 12 July 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has improved risk assessments to help ensure children are supervised effectively whilst completing activities.

The provider will be able to give parents further information about this.

The provider has now resigned this registration and they are no longer registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
