

## **Compliance action taken for childcare provision**

Ref: EY489742/5477769

Date: 7 August 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 June 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of changes or events. On 7 August 2023, we carried out a regulatory phone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has improved procedures for risk assessing outings and provided further guidance for staff on ensuring children are supervised at all times.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
