

Compliance action taken for childcare provision

Ref: 2553142/5500432

Date: 8 August 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 July 2023, the provider notified us of an allegation against a staff member. In addition to this on 20 September 2022, the provider notified us of an incident involving the security of the setting. The notifications means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 7 August 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reflected on their own safeguarding knowledge, retrained themselves on their safeguarding policy and taken on board feedback from the local authority designated officer (LADO). Furthermore, the provider has reviewed their setting security and improved their drop off and collection procedures. The provider has met with staff and provided them with suitable training and support in relation to both events to minimise a reoccurrence.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
