

## **Complaint about childcare provision**

Ref: EY550673/5490962

Date: 9 August 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2) . If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 July 2023, we received concerns that the provider was not meeting some of these requirements.

On 25 July 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The assessment arrangements for children with special educational needs and/or disabilities has now been updated. This mean that children who require additional support are identified in a more timely manner.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
