

Complaint about childcare provision

Ref: EY438085/5500260

Date: 16 August 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 July 2023, we received concerns that the provider was not meeting some of these requirements.

On 4 August 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed by 1 November 2023:

- ensure all necessary steps are taken to be compliant with the requirements of health and safety legislation, particularly in respect of fire safety.

We will monitor the provider's response to ensure the action is successfully completed.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
