

Complaint about childcare provision

Ref: 2666883/5498472

Date: 21 August 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 July 2023, we received concerns that the provider was not meeting some of these requirements.

On 4 August 2023, we carried out a regulatory visit and found the provider was not meeting some of these requirements. We found that documents relating to accident and injury were not being maintained to ensure the safe and efficient management of the setting. We have issued an action for the provider to take.

Action needed by 10 August 2023:

- maintain records to ensure the safe and efficient management of the setting, in particular records relating to accident and injury.

We will monitor the provider's response to ensure the action is successfully completed.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
