

## **Compliance action taken for childcare provision**

Ref: EY443010/5475108

Date: 22 August 2023

### **Summary of outcome**

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at

[www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 June 2023, we received concerns that the provider was not meeting some of these requirements, particularly in relation to the quality of childcare, safeguarding, exclusion and discrimination.

On 11 August 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements.

We have issued actions for the provider to take within the timescale set out below.

Actions needed by 04 Sept 2023:

- ensure that staff have high expectations for children's positive behaviour, and that they provide support for children to regulate and manage their feelings and behaviour in an appropriate way
  
- ensure that the correct procedures are followed and be alert to any issues relating to children's attendance, life at home or elsewhere and that all concerns are raised to the correct external agencies so that all children are kept safe.

We will monitor the provider's response to ensure the actions are successfully completed.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

## **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
