### **The Childcare Register: inspection outcome - non-compliant**

I inspected your childcare provision on 2 August 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

#### **ACTIONS**

<b>The following actions are to be completed by the date shown</b>	<b>Date</b>
■ improve security of the premises in particular the gate to enter the areas used by the registered provider, to ensure that no unvetted person can enter the premises and no child can leave the setting without the staff being aware	10/08/2023
■ implement robust risk assessments in particular the systems to check that all children are present when they move from from one area of the premises to another, throughout the day.	10/08/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.

If you have any questions please contact us on 0300 123 1231 quoting the reference number at the top of this letter.

Yours sincerely
