

Complaint about childcare provision

Ref: EY561730/5500344

Date: 25 August 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 July 2023, we received concerns that the provider was not meeting some of these requirements.

On 22 August 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider had already taken action to comply with requirements. It was found that the provider had successfully recruited qualified staff and improved staff deployment to ensure that staff:child ratios are now consistently met. This action will ensure that there is always sufficient, qualified staff working with children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
