

Compliance action taken for childcare provision

Ref: EY383623/5484720

Date: 15 August 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 06 July 2023 we received concerns that the provider was not meeting some of these requirements.

On 15 August 2023, we carried out a regulatory telephone call/regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 25 August 2023:

- provide Ofsted with the required information about changes to those who make up the governing body of the setting, so that necessary suitability checks can be carried out.

We will monitor the provider's response to ensure the action is successfully completed.

On 29/08/2023 the provider responded to the action set. We found that the provider had improved their knowledge and understanding of the information that they provide to Ofsted about those who make up the governing body and have initiated necessary checks.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
