

## **Compliance action taken for childcare provision**

Ref: EY339360/5497960

Date: 3 August 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 12 July 2023, the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 3 August 2023, we carried out a regulatory telephone call. We found the provider was not meeting a requirement. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 28 August 2023:

- ensure that the manager holds an approved level 3 qualification and at least half of all other staff hold at least an approved level 2 qualification.

On 21 August 2023, the provider responded to the action set. The provider had successfully recruited qualified staff and had also not authorised any new admissions. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
