

## **Compliance action taken for childcare provision**

Ref: EY336523/5518804

Date: 4 September 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 August 2023 the provider notified us of a child being injured on the premises. The notification means that the provider met their legal responsibility, as set out in the early years foundation stage welfare requirements, to notify Ofsted of any serious accident or injury to a child. On 23 August 2023 we also received concerns from a parent that this provider might not be meeting some of the requirements. The provider will be able to give parents further information about this.

We carried out an unannounced visit to the premises. We spoke to management and staff. We also observed the premises and equipment. We reviewed a range of documents required for the same management of the provision. We found that the provider had taken action to minimise the likelihood of the incidents being repeated. We were satisfied with the measures put in place to keep children safe and well at the setting. The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
