

Compliance action taken for childcare provision

Ref: EY338966/5472223

Date: 25 July 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 June 2023, the provider notified us of an incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 24 July 2023 we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has developed their systems for ensuring staff are suitable to work with children before they start. They have reviewed and improved their safer recruitment procedures. In addition, they have examined induction procedures for new managers, so that they are competent to fulfil their roles and responsibilities.

on the 25 July 2023, we received further concerns that the provider was not meeting some of these requirements. On 6 September 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider has improved partnership with parents. Parents attend a parents group which meets regularly to discuss any concerns. Parents are updated about children's daily routines and children's learning via the parent app. Staff work across different rooms to improve practice and raise morale.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
