The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 16 August 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ maintain a written statement of procedures to be followed in relation to complaints which relate to the requirements of the Childcare Register and which a parent makes in writing or by email	31/08/2023
■ display the Ofsted registration certificate on the premises.	18/08/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.
