### **The Childcare Register: inspection outcome - non-compliant**

I inspected your childcare provision on 14 August 2023.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

#### **ACTIONS**

<b>The following actions are to be completed by the date shown</b>	<b>Date</b>
■ do everything necessary to minimise any risks to children, with reference in particular to the procedures for the safe collection of children	08/09/2023
■ make sure that no child can leave the premises, and no one can enter the premises, without someone who is providing childcare becoming aware.	08/09/2023

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.
