

Complaint about childcare provision

Ref: 2660643/5508421

Date: 7 September 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 August 2023, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be inadequate. The inspection report sets out the actions the provider was required to take to meet the requirements.

On 25 August 2023, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions raised at their last inspection.

The provider responded to the actions set. We found that the provider had improved their knowledge and understanding of child protection procedures and now fully understands their responsibilities. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.
