

Complaint about childcare provision

Ref: EY485829/5528192

Date: 12 September 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 September 2023, we received concerns that this provider was not meeting some of these requirements.

On 12 September 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider took immediate action to ensure children's details were removed from the public domain. The provider will implement more stringent processes to ensure a reoccurrence does not happen and that all staff are fully aware of the process for managing social media posts.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
