

Complaint about childcare provision

Ref: EY475872/5530908

Date: 19 September 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 September 2023, we received concerns that the provider was not meeting some of these requirements. The provider notified us that they had received the same concerns regarding staff not managing risks effectively.

On 19 September 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider held a meeting to remind staff of risk assessments in place for outdoor play equipment. They arranged for staff to complete a quiz to confirm that they understood the procedures in place to manage risks.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
