

Complaint about childcare provision

Ref: EY544663/5515927

Date: 5 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 August 2023, we received concerns that the provider was not meeting some of these requirements.

On 4 October 2023 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has updated their safer recruitment policy, including their knowledge of the disqualification regulations. Additionally, the management team have refreshed their safer recruitment training and child protection knowledge.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
