

Compliance action taken for childcare provision

Ref: 2684696/5544387

Date: 9 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 September 2023, the provider notified us of an incident. Prior to this, on 11 and 18 September 2023 the provider notified us of two other similar incidents. The notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 27 September 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had provided training, including behaviour management and has identified further training for staff to complete. In addition, the provider has put in place an improvement plan with additional training and support to develop staff's ongoing practice.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
