

Compliance action taken for childcare provision

Ref: EY486605/5533810

Date: 3 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 September 2023, we received concerns that the provider was not meeting some of these requirements.

On 2 October 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 16 October 2023:

- ensure children are provided with daily outdoor activities to promote their health and well-being
- implement an effective daily risk assessment to ensure the premises are safe for children to play and learn.

We will monitor the provider's response to ensure the actions are successfully completed.

On 16 October 2023, the provider responded to the actions set. We found that the provider had implemented a robust daily risk assessment to ensure the premises were safe for children to play and learn. Children are now provided with daily outdoor activities or experiences while the outdoor provision is temporarily closed.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
