

Compliance action taken for childcare provision

Ref: 402935/5556884

Date: 19 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 October 2023, the provider notified us of incident relating to supervision of children in the outdoor area. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 19 October 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right.

The provider investigated the incident and has spoken to the whole staff team. They have reviewed their practices and procedures related to the incident. As a result, staff now deploy themselves more effectively when they are transitioning children between areas, including inside and outside. The setting manager has also spent time observing transitions between areas to ensure that staff are carrying out the agreed processes correctly in practice.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
