

Complaint about childcare provision

Ref: EY479011/5518096

Date: 26 September 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 August 2023, we received concerns that the provider was not meeting some of these requirements.

On 26 September 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 10 October 2023:

- ensure that the equipment and furniture are clean and well maintained.

On 10 October 2023, the provider responded to the action set. We found that the provider had completed a deep clean of all equipment and furniture. Additional daily checks have been implemented to monitor the cleanliness of the building. The provider had also purchased new cutlery for younger children and new kitchen trolleys from which food is served.

We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.
