

Complaint about childcare provision

Ref: EY561088/5555353

Date: 25 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 October 2023, we received concerns that the provider was not meeting some of these requirements.

On 23 October 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken appropriate action to put this right. The provider had improved the risk assessment procedures to ensure any risks to children when exploring equipment are identified and reduced. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.
