

Compliance action taken for childcare provision

Ref: EY497108/5533961

Date: 23 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundationstage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 September 2023, the provider notified us of a significant event. However, the notification was not reported to Ofsted within the required timescales as set out in the Statutory framework for the early years foundation stage. This states that providers must notify Ofsted of significant events which may effect the suitability of individuals within 14 days.

On 20 September 2022, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take.

Actions needed by 30 October 2023:

- ensure robust safer recruitment practices are in place to ensure the suitability of all individuals who work with children.

The provider took prompt action to ensure recruitment procedures are strengthened and ensure the suitability of those working with children.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
