

Compliance action taken for childcare provision

Ref: 311821/5561510

Date: 25 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 October 2023, the provider notified us that a child had left the premises unsupervised. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event. On 18 October 2023, we received information relating to the same incident.

On 25 October 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has put additional measures in place to ensure the premises are secure to minimise the opportunity for this to reoccur and the policy and procedures for children moving in and out of the setting have been improved and all staff made fully aware of this. The provider intends to implement additional safety measures imminently to further enhance the security and safety of the premises.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
