

## **Compliance action taken for childcare provision**

Ref: 2576585/5523109

Date: 18 October 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 and 31 August 2023, we received concerns that the provider was not meeting some of these requirements.

On 6 October 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take.

Actions needed by 20 October:

- implement safe sleep procedures for all children
- implement robust risk assessments to identify and remove all potential hazards in the pre-school bathroom.

On 17 October 2023, the provider responded to the actions set. We found that the provider had provided training and even closer monitoring of staff practice to ensure they robustly implement the safe sleep and risk assessment policies and procedures.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
