

## **Compliance action taken for childcare provision**

Ref: EY475502/5572235

Date: 7 November 2023

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 October 2023, the provider notified us of a significant incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 27 October 2023, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right.

The provider had ensured all staff working within rooms are aware of the risk assessments procedures in place for the use of children's play equipment and activities. Staff are required to read and sign written risk assessments to show they understand the conduct and expectations within each room. The provider had also improved the organisation of toilet training routines so staff can facilitate children's safer movement between the rooms and outdoor areas.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-](http://www.gov.uk/government/publications/early-years-provider-non-compliance-)
