

Compliance action taken for childcare provision

Ref: 319135/5564602

Date: 31 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 17 October 2023, the provider notified us of an injury to a child. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 23 October 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 30 October 2023:

- ensure that designated safeguarding leads for the setting have a robust knowledge of all safeguarding matters, including allegation management, to ensure that they are alert to issues of concern, and are able to respond in a timely and appropriate way to any concerns
- ensure all staff, including managers understand their safeguarding policy and procedures, so that they are able to identify possible signs of abuse, and alert to concerns regarding staff practice.

We are satisfied with the action taken by the provider. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
