

Compliance action taken for childcare provision

Ref: EY440816/5531856

Date: 16 October 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 September 2023, we received concerns that the provider was not meeting some of these requirements.

On 10 October 2023, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 3 November 2023:

- deploy staff to ensure children's needs are met to keep them safe and ensure they are adequately supervised, including whilst eating
- ensure designated safeguarding leads are competent and able to liaise with other[JG1] relevant agencies and report concerns where necessary
- ensure there is a named deputy who is capable of taking charge in the manager's absence.

On 3 November 2023, the provider responded to the actions set. We found that the provider has improved their arrangements for the supervision of children and staff deployment. Staff in leadership roles have improved their understanding of their responsibilities. There is now a suitable named deputy in place[JG2] .

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
